SCC Twin Cities Chapter Chair Chat

Greetings TCCSCC Members!

Hope everyone is having a lovely summer!

First and foremost, a big shout out to Phil Leith and Steve Beauchaine for consistently, diligently and successfully conducting the most attended golf outing every year! Congratulations on yet another successful run this year, Phil and Steve! Thank you for your time and efforts.

The upcoming chapter meeting is the September poster boat cruise, in a week's time (9/15). I am looking forward to another successful meet, greet and learn session while we cruise the beautiful Mississippi river. Congratulations to all who have secured a spot for their posters to highlight new technology and/or ingredients. The poster sessions are great to learn about something new in a short period of time. I hope many of you will take advantage of this opportunity.

I would like to draw your attention to the upcoming deadline of Sept 14th for submitting nominations to serve on the board for 2016. To reiterate my personal experience, serving on the board presents a great opportunity to grow personally and professionally and develop leadership skills. Please send nominations to me, on or before Sept 14th.

Save the dates for the exciting upcoming meetings for the remainder of the year. The October meeting will be on Tuesday, 17th at the Jax café, Minneapolis. Area III director, Michelle Hines will be visiting our chapter during the October meeting. November will serve as the chapter officer installation meeting along with the regular technical session at Heyday, Minneapolis. Area III director, Liz Streland will conduct the officer installations. Before we know it, it will be time for the Holiday Party which is slated for Tuesday, Dec 15th. Keeping up with our annual tradition, the venue will be the Radisson at Roseville for the fun-filled casino night!

We sent out a notification on this before but as a reminder, the new dates for the 29th IFSCC Congress are October 30, 2016 – November 2, 2016. The Dolphin Resort will offer the most up-to-date facilities and Walt Disney World will be a spectacular backdrop to this wonderful event. In addition, both the Committee on Scientific Affairs (COSA) and Congress Organizing Committee have agreed to extend the Call for Papers deadline. The Call for Papers deadline is December 31, 2015.

The 70th Annual Scientific and Technology showcase will be held on December 10 -11, 2015 in New York City. The deadline for abstract submission for technology showcase is 15th September 2015. More details can be found at www.scconline.org.

As always, please let me know if you have any questions, suggestions, or comments.

See you all at the boat cruise!

Sincerely,

Smita Fulzele

- The Chair-elect will be called upon to fill in during the absence of the Chair.
- Various duties are assigned to the Chair-elect in accordance with established Chapter practices and in accordance with Chapter By-laws. It is important that the Chair-elect read the Chapter Bylaws and specifically consult those sections of this manual which apply to any responsibilities which he or she might be given.
- The Chair-elect should be responsible for the Chapter programs during his term as Chapter Chair therefore his planning efforts in this area should begin with his term as Chair-elect.
- The Chair-elect is also responsible to see that the officers adhere to Society Policy regarding scholarships and charitable donations.

CHAPTER TREASURER

- This is a 2 year commitment position. The Treasurer must work closely with the Chair and be involved in House, Program, Social, Awards, Newsletter and Publicity since all involve the expenditure of funds as well as the collection of income.
- The Treasurer has the responsibility for accurate record keeping, for working with the Chair and other Chapter Committees in developing budgets (the operating budget as well as budgets for special events) and in monitoring all income and expenses. In addition, helping to prepare IRS forms, if necessary, and for the maintenance of checking, savings or investment accounts.
- The term of Treasurer will be from January 1 to December 31. He will act in an advisory capacity to the new Treasurer for three months after his term of Treasurer ends (until March 31st.)

- Ensure that all Minutes of the Executive Committee and Board meetings are sent to Area Directors and to the SCC National Office.
 - 1) Notify the National Office with the names of potential candidates running for Chapter Office in order that their membership status can be verified before the ballots are printed. (Officer Eligibility Form)
 - 2) Ensure that ballots are mailed according to Chapter Bylaws and that when the address label file is requested from the National Office for Chapter elections, that the request is made for "voting members".
 - 3) Notify National with the results of the Election, including the name, address, phone, fax, and e-mail of the newly elected Officers.

Letter from the National Office – SCC

Dear Colleagues,

I'm writing to provide two very important updates regarding the 29th IFSCC Congress, scheduled for October 2016 in Orlando, Florida. We're in the process of issuing a formal press release but we ask that you also please share these critical updates with your Chapter members as soon as possible.

First, the dates of our Congress are moving by one week. The new dates for the 29th IFSCC Congress will be October 30, 2016 – November 2, 2016 (instead of the original dates of October 23, 2016 – October 26, 2016). Of importance to our Society and the entire international community, by making this date modification we've been able to significantly lower the room rate at this world class resort. Formal details will follow once registration opens early 2016.

Secondly, following some valuable feedback we've received regarding the Call for Papers deadline that was previously established, both our Committee on Scientific Affairs (COSA) and Congress Organizing Committee have agreed to extend the Call for Papers deadline. The Call for Papers deadline will now be December 31, 2015 (instead of the original date of September 30, 2015). We trust this additional time will enable our community to respond to the Call for Papers for the 2016 Congress.

These important changes have just been confirmed and we're working to update our website and systems now but wanted to make you aware right away.

We urge everyone interested in being a participant in the Congress to submit an abstract by the revised deadline for consideration. Of course, we also encourage our entire community to please save the date (October 30 – November 2, 2016) and plan on attending the 29th Congress.

The Dolphin Resort will offer the most up-to-date facilities and Walt Disney World will be a spectacular backdrop to this wonderful event.

Many thanks for your continued collaboration.

Sincerely,

David Smith
